- This class is for mini vans, pickups, and SUVs. Typical vehicles for this class would be:
 - Ford Ranger pickups & Explorers or
 - Chevrolet/GMC Astro vans, S-10 pickups, S-10 Blazers or
 - Dodge/Chrysler Caravans, Dakota pickups, Durango SUVs or
 - Toyota/Nissan pickups, or
 - similar models to the ones listed.
- If a 4x4 vehicle, front driveshaft must be removed.
- No V-8 engines, only 4 & 6 cylinder models.
- Pickups may relocate fuel tank to front of box.
- See General Rules and Chain-N-Go rules for balance of rules.
- This is a simple build class. Chain them up and wreck them – have a good time!
- If you spend more than a few days building, you are probably over-built.
