

Country of Origin Affidavit/Declaration

Exhibitors need to collect documentation from the seller when purchasing livestock by having the seller complete this form. In addition, at the time of the Meat Animal Sale, the exhibitor needs to complete the form, provide a copy to the fair office and a copy to the processing plant.

As an affidavit is deemed by USDA as an official record of Country of Origin, I attest through first-hand knowledge, normal business records, or producer affidavit(s) that all livestock referenced by this document or other communications specific to the transaction and transferred are of U.S. origin (born and raised in the U.S.).
