The Dunn County Fair Board reserves the right to interpret all rules and regulations. It is understood that each exhibitor at the Dunn County Fair subscribes to the rules and regulations found in the fair book.

It is important to refer to the website for updates to rules, regulations and any changes to departments, classes, and lots.

Fair Entry Deadline – June 29

All exhibitors must enter online using FairEntry <https://dunncountywi.fairentry.com/Fair/SignIn/14895>. If you are a 4-H member, your 4HOnline profile will be imported into FairEntry and you will sign in using the same id and password that you use on 4HOnline. Exhibitors from other youth groups, need to create a user id and password in FairEntry the first time they log in. Check department regulations for any specific entry requirements.

No additional entries will be accepted on entry day unless previously entered in FairEntry.

Entry Fees

Each exhibitor is charged a \$5 entry fee. Payment of this fee is due at the time of entry tag pickup. Included in the entry fee is a wristband that covers the exhibitor's admission to the fair for the entire week.

Split/Off Fair Dates

All events scheduled for a date not during the Dunn Count Fair, including clothing revue, foods revue, music, speaking and demonstrations and shooting sports must be entered on the entry form created by UW-Extension, if FairEntry is not available for online entries. The deadline for entry of the events will be determined by the 4-H Program Educator. A photo display is required of the exhibit, created by participants, for each of these projects and displayed in the Exhibit Hall during the fair.

Eligibility to Exhibit

Only youth residents of Dunn County or towns adjoining Dunn County, who are under 20 years of age on January 1 of the current fair year, are eligible to exhibit at the Dunn County Fair, providing

the exhibitor is a member of any of the following Dunn County youth groups: 4-H, FFA, FCCLA/HOSA, Scouts, FBLA, SkillsUSA (VICA), breed organizations or any other state recognized group under adult leadership with an approved educational program.

Supervision of Exhibit Buildings and Liabilities

The Dunn County Fair Board will endeavor to provide adequate care and protection to all exhibits for the duration of the fair. In no case, shall the Dunn County Fair or any of its board members, superintendents or staff be held responsible for any loss, damage, injury or deaths by disease, theft, or from any other cause of any character, to any property or exhibit while same is on the Dunn County Fair Grounds, or any other time or place. Management hereby assumes no responsibility for any property being brought and kept on said grounds.

Adult volunteers of open class and all youth groups will provide supervision of exhibit buildings during their scheduled times and while viewing the exhibits at their leisure.

Procedure for Release of Entries

All exhibits must be left in place until Sunday. NO EXHIBITS WILL BE RELEASED WITHOUT THE EXPRESSED WRITTEN CONSENT OF THE FAIR BOARD. All exhibits (including animals) are released at 5:00 pm on Sunday. All barn decorations must be left in place until 4:30 p.m. on Sunday. All exhibits should be removed by 7:00 p.m. on Sunday from the exhibit buildings at which time the buildings will be closed.

Exhibition Requirements

1. Exhibitors can only enter project areas officially enrolled in under a youth organization and shall be a result of the exhibitors' own work since the previous fair.
2. Exhibitors may enter in a lot number only once, regardless of membership in multiple youth organizations. No exhibitor can compete against himself or herself.
3. Exhibit poster entries for all departments shall be 22"x28". A poster entry shall be two dimensional; a display entry shall be three dimensional.
4. All animal projects exhibited must be identified with the leader/advisor and under the daily care and management of

the youth exhibitor before May 1st. The exhibitor enrolled in the project shall keep required records of goals, cost, income and progress in the project including any additional requirements such as in the Dunn County Fair Meat Animal Projects.

5. All exhibitors must be entered in showmanship by the entry deadline by completing an online entry using FairEntry. Age as of January 1st. Cloverbuds are not eligible.
6. Special rules governing various types of exhibits are printed in the heading of each department. Read specific department regulations since each will be enforced.
7. Misrepresentation or failure to comply with all regulations may result in ribbon being dropped one place or disqualification.

Exhibit Entry

1. Obtain entry tags from your general/club leader. Report any tag errors to fair staff prior to the fair. Check exhibit entry and judging times.
2. Attach these entry tags securely to each exhibit. Bring exhibit to the proper exhibit area.
3. Animal entries – you may be asked to show the entry tag to the ring clerk when entering the show ring.
4. All animal exhibits must be fed and/or cared for at the exhibitor's expense and risk.
5. Exhibitors must show their own exhibits unless approved by the fair board. A substitute youth belonging to a youth organization may show a sick or injured exhibitor's projects.

Judging

- Unless otherwise indicated, all classes in the junior and educational departments are judged according to the Danish System. Exhibitor may need to be present for conference.
- Superintendents reserve the right to combine lots with insufficient entries (three or less) or split lots with 16 or more entries.
- Champions, Grand Champions, Supreme Grand Champions, Best of Breed, Best of Show, Best of Variety and Awards of Excellence are awarded at the judge's discretion.

Premium Checks

If you feel there is an error in your premium check, you must contact the Fair Office by November 30 of the current year for the Fair Board to consider an adjustment. After that date, no disputed checks will be considered. Premiums are listed within each Department.

Trophy Policy

In 2009, the Dunn County Fair Board established a no trophy policy. In lieu of trophies, animal department award winners are honored on a permanent display board with yearly engraved plates. Although made with good intentions, in the past, trophies that were not approved by the Dunn County Fair Board were presented the day of the show. The Fair Board will not accept unsolicited trophies distributed to exhibitors without previous approval. Please contact the Fair Board if you wish to sponsor items for the fair.

Animal Check-In Procedures

1. Vehicles carrying all livestock, feed, and tack, must enter using the North gate on 17th Street. The exception is horses, which must enter using the East gate on 21st Street.
2. All exhibitors must complete the Animal ID and Check-in Information form before unloading.

3. Refer to the [Animal Health Regulations for Fairs and Shows in Wisconsin](#) for additional requirements and documentation needed.
4. Superintendents will complete a health and identification check before animals can be unloaded. For the safety of exhibitors and animals, any animal not meeting health and identification checks will be disqualified.
5. After unloading, all trucks and trailers must be moved to the parking lot. If you plan to leave the truck and trailer overnight on entry day, contact the fair office for permission and parking assistance. No trailers may remain on the grounds after entry day.

Dunn County Fair Code of Conduct

Participants attending the Dunn County Fair as an exhibitor, parent, spectator, superintendent, judge or fair official must conduct themselves in a manner consistent with the following IAFE National Code of Show Ring Ethics, adapted in part, and the Dunn County Fair Addendums to the code. These Codes of Conduct are not limited to the show ring, but are applicable to all departments, activities and events associated with the Dunn County Fair.

IAFE (International Association of Fairs and Expositions) National Code of Show Ring Ethics

Exhibitors of animals at livestock shows shall at all times deport themselves with honesty and good sportsmanship. Their conduct in this competitive environment shall always reflect the highest standards of honor and dignity to promote the advancement of agricultural education. Owners and exhibitors who violate the code of ethics will forfeit premiums, awards and auction proceeds and shall be prohibited from future exhibition in accordance with the rules adopted by the respective fairs and livestock shows.

The following is a list of guidelines for all exhibitors and all livestock in competitive events:

1. All exhibitors must present, upon request of fair and livestock show officials, proof of ownership, length of ownership and age of all animals entered. Misrepresentation of ownership, age, or any facts relating thereto is prohibited.
2. Owners and exhibitors shall provide animal health certificates from licensed veterinarians upon request by fair or livestock show officials.
3. Junior exhibitors are expected to care for and groom their animals while at fairs or livestock shows.
4. Animals shall be presented to show events where they will enter the food chain free of drug residues. Animals not entered in an event which culminates with the animal entering the food chain shall not be administered drugs other than in accordance with applicable federal, state, and provincial statutes, regulations and rules. At any time after an animal arrives on the fair or livestock show premises, all treatments involving the use of drugs and/or medications for the sole purpose of protecting the health of the animal shall be administered by a licensed veterinarian.
5. Any surgical procedure or injection of any foreign substance or drug or the external application of any substance which could affect the animal performance or alter its natural contour, confirmation, or appearance, except external applications of substances to the hoofs or horns of animals which affect appearance only and except for surgical procedures performed by a duly licensed veterinarian for the sole purpose of protecting the health of the animal, is prohibited.
6. The use of showing and/or handling practices or devices such as striking animals to cause swelling, using electrical contrivance,

or other similar practices are not acceptable and are prohibited.

7. Direct criticism or interference with the judge, fair or livestock show management, other exhibitors, breed representatives or show officials before, during or after the competitive event is prohibited. In the furtherance of their official duty, all judges, fair and livestock show management, or other show officials shall be treated with courtesy, cooperation and respect and no person shall direct abusive or threatening conduct toward them.
8. The act of entering an animal in a fair or livestock show is the giving of verification by the owner and exhibitor that he or she has read the IAFE National Code of Show Ring Ethics and understands the consequences of penalties provided for action prohibited by the code.

Junior Fair Exhibitor's Dress Code for Animal Shows and Livestock Sale

In an effort to promote a professional appearance while showing animals and during showmanship, youth exhibitors are expected to adhere to the following dress code when in the show ring.

Deviations from the dress code will result in a request to change before you show your animals. If an exhibitor is not in compliance with the dress code, he or she will be disqualified from both the show and/or sale.

- Show whites are recommended for animal shows, but it is acceptable to wear a clean white shirt and dark pants. Western wear is acceptable for beef, swine, sheep, and meat goat shows. White show coats are acceptable for rabbits, small animals, and poultry. Horse exhibitors should follow horse attire and safety gear requirements as stated under the Department 6 regulations.
- Full length pants are required; belts are strongly encouraged.
- Shirts are required to have collars and sleeves. Shirts should have no writing including farm names, family names, or any advertising.
- Closed toe shoe or boots are required.
- Hats or caps are not allowed.

The Superintendents from each department, in combination with the Fair Board, will enforce these regulations. Please plan ahead to have appropriate clothes on show day. A professional appearance will leave a positive impression.

Selling and Advertising Limitations

Owners and exhibitors may not advertise or sell any exhibits or animals at the fair except those officially entered in the Dunn County Fair Meat Animal Project or Small Animal Auction. No firm, farm or name identification shall be permitted on any items.

Fitting

Clipping and grooming of exhibits while on the Fairgrounds is to be completed only by exhibitor, immediate family (spouse, parents and grandparents, children and grandchildren, brothers and sisters, aunts and uncles, mother-in-law and father-in-law, brothers-in-law and sisters-in-law, daughters-in-law, sons-in-law, adopted, half, and step members are also included in immediate family), legal guardian and/or another participating junior exhibitor. No artificial filling of animals will be allowed.

Unruly Animals

All animals must be under the control of the youth exhibitor to be eligible for entry in the show ring. For the safety of exhibitors and

spectators the superintendent will disqualify any animal if they present an unsafe condition.

Barn Procedures and Animal Areas

All exhibitors entering animals for show at the Dunn County Fair are responsible for cage, pen, and/or stall set-up prior to the fair, care of their animals during the fair, and cage, pen and/or stall tear down when removing animals from the fair.

- Attend animal barn set up days and times prior to the fair as announced through UW-Extension and Facebook.
- Following the superintendent's directions, assist in setup of necessary cages, pens, and/or stalls for the animal species and exact number of animals intended to be shown. Superintendents will mark barn area according to club space needed.
- Exhibitors showing animals are required to feed, clean, and care for their animals. All exhibitors showing animals will be required to participate in barn duty as assigned by superintendents.
- No furniture or appliances are allowed in barn areas. Small tables and chairs are allowed.
- Exhibitors planning on staying at the fairgrounds overnight must complete and submit to the Fair Office the overnight consent form.
- All barns will be open to the public from 8:00 AM to 11:00 PM
- Follow specific manure handling policies for the barn your exhibits are housed in.
- Remove all belongings and assist in tear down of cages, pens, and/or stalls when removing animals from the fairgrounds.

Dunn County Fair Manure Handling Policy

The Dunn County Fair has developed and will enforce this policy. The Fair Board has established an agreement with a private composting business to have all the manure hauled to that site. The following guidelines must be practiced in all barns:

- All materials in manure must be ready for composting.
- Only straw, cornstalks and wood shavings will be allowed for animal bedding. Only horse and swine exhibitors may use sawdust.
- No wood chips, bark, coarse wood products, and metal of any kind, wire, plastic string, Styrofoam, or any other non-compostable materials may be in the manure or used to secure animals.
- Only twine will be allowed for securing gates. Goat and sheep exhibitors may use wire (since these species eat twine). The goat and sheep superintendents shall supervise the goat and sheep exhibitors who must remove all wire from the manure.
- During the fair, all animal waste must be placed into the dumpsters provided for manure disposal. Other items may not be placed into these dumpsters. Manure and bedding should never be placed into the regular trashcans.
- Superintendents on duty will inspect the bedding. If all the components are approved, the county will take the manure to the composting site. If the bedding is not approved, exhibitors will need to come back and haul out the manure and bedding.
- On the Sunday of the fair, exhibitors are expected to thoroughly clean their animals' areas and cages (and, if necessary, take down cages) in all buildings and place the manure into the proper manure dumpsters. The following exceptions exist:
 - Exhibitors in the small animal barn should make one large pile (which can be easily scooped by a loader) in the center of their barn.

- Exhibitors in the cattle barn may leave their bedding in place; however, all gates, pens and steel fence posts must be removed. Please note that if a steel fence post breaks off, the area needs to be reported to the superintendent so that equipment used to work up the dirt floor is not damaged.
- If there are violations to these guidelines, the compost site may discontinue this service and all the exhibitors will need to haul all bedding and manure back to their own farms/homes. Individual exhibitors violating this policy may lose their fair premiums.

Animal Health Regulations for Fairs and Shows in Wisconsin

The Dunn County Fair follows Wisconsin animal health regulations, which are subject to change at any time. It is especially important that you refer to the website prior to the fair and review required [animal health regulations](#).

Chapter ATCP 160 – County and District Fairs

The Dunn County Fair follows the rules and regulations as set by the Wisconsin State Legislature. Refer to the appendix for a copy of ATCP 160 as it applies for junior fairs or the website for [ATCP 160 – County and District Fair regulations](#).

Dunn County Fair Meat Animal Project

Refer to the rules set by the Dunn County Fair Meat Animal Committee as found on the [Dunn County Fair](#) website. The rules may also be found on the [Extension Dunn County](#) website.

- Follow all general regulations that might apply as found in the beginning of the fair book.
- Refer to the Animal Health Regulations for Fairs and Shows in Wisconsin for additional requirements and documentation needed.
- Refer to the requirements in the Junior Fair Exhibitor’s Dress Code for Animal Shows and Livestock Sale found in the front pages of this fair book.

- Attire: In accordance with the State 4-H policy, proper attire is required for all classes. ALL mounted riders and drivers are required to wear a SEI approved helmet for ALL classes. Boots with a minimum ½” heel are required. If at any time during a show a member is not in compliance with the dress code he or she will be disqualified.
- Follow all stalling regulations at the direction of the superintendent. All exhibitors are required to stall their horses at the Dunn County Fair.
- Complete Animal ID and Check-In Form.
- Coggins: No horse will be allowed on the Fairgrounds without a current negative Coggins test. A copy should be attached to your Animal ID and Check-In Form. The original certificate should be with you anytime you trailer your horse. This original certificate must be shown at check-in and kept on file while your horse is stalled at the fair.
- Animals should be under the care and management of the exhibitor and under the control of the youth exhibitor in the show ring. All exhibitors must train their horses prior to the fair (i.e. clinics, meetings, etc.). Anyone using trainers (i.e. formal, professional, or otherwise) during the Fair will result in the forfeiture of ribbons/premiums. Parents may not instruct or coach their child/horse from the rail for any classes. This may result in disqualification of the participant from the class.
- All horses and their exhibitor are required to attend at least two safe night rides prior to the fair. The Dunn County Fair Safety Evaluation form is available on the [Extension Dunn County website](#). If your horse is deemed unsafe, then you will be asked to withdraw or attend another safe night ride.
- No one other than the youth exhibitor, including parents, may ride their horse on the fairgrounds.
- The superintendent will make all horse stall assignments. Exhibitors are required to complete stall cards, horse information and an educational poster in addition to club decorations. Stall judging takes place daily.
- Follow barn procedures, bedding requirements and manure handling policies found in the beginning of the fair book.
- Check exhibit entry and judging times.
- Walk Trot Exhibitors: Walk Trot exhibitors include any first-year horse and rider combination entry. If you enter a class under a Walk Trot division, you may not enter any other lot within that class. Walk Trot exhibitors cannot compete in championship classes or qualify for District or State Horse Shows.
- Entries & Premiums: Exhibitors must use the Dunn County Fair Horse & Pony Show entry form to enter in this department.
- By State regulations, each horse/pony and rider combination may receive only two premiums. One premium in classes A through C and the second premium in classes D through E or 2 premiums in Classes F through I. However, a horse may be entered in non-premium competition in any class.
- Exhibitors may not show more than two horses in classes A through I. If a second horse/pony is shown, you may receive one additional premium.
- Fair staff, upon completion of the show, will determine top two or three premiums awarded.
- A project horse that is a foal, yearling or two-year old, may be a third horse and may be shown in non-qualifying classes.
- Only stallions born on or after January 1st of the fair year may be shown.
- Family members sharing a horse at the fair must also fill out the Horse and Pony Entry Form.
- Mounts measuring 56” or less are considered a pony.
- Equestrian attire must be entered under Department 26.

- Clarification of these regulations will be made by the fair board and/or the horse department superintendent.
- The Fair Board must approve any exception to these rules.
- Danish judging. Exhibitors must be present.
